CIVIL LEAVE CODE.

APPENDIX A.

Page 231.

Substitute the following for clause (13) *of the Form of Last-Pay Certificate on this page:*—

(13) The Secretary of State recovers subscriptions on account of the different Civil Funds from subscribers absent from India on leave who draw their leave allowances in England who either are required by the Rules of their Fund to pay their subscriptions in that country during leave, or elect to do so. Particulars of the Fund deductions to be made from the absentee allowances of officers on leave drawing their leave allowances in England should be noted on the Last-Pay Certificates; and where a subscriber elects to make payments of his subscriptions in India while on leave, or to postpone such payment until his return to India, the fact should also be noted on the Last-Pay Certificate. The rules under which the deductions are made, and the method by which they are calculated in the cases of the different Funds, will be found in Appendix B (a) of the Civil Leave Code.

Page 235.

Insert the following as Appendix B (a) of the Civil Leave Code:

The recovery of subscriptions due on the absentee allowances of subscribers to the Bengal, Madras, and Bombay Civil Funds, and to the Indian Civil Service Family Pension Fund, is made under the following Rules:—

1. If the officer is on leave out of India and draws his allowances in England, recovery will be made at the Home Treasury by deductions from his absentee allowances, unless he is a member of the Bengal or Madras Civil Fund, and has exercised the option allowed to members of those Funds of postponing the payment of his subscriptions until after return to duty.

[NOTE.—The option allowed to subscribers to the Bengal Fund of postponing payment of subscriptions on absentee allowances is limited to a period of one year.]

2. For payment of leave allowances in any of Her Majesty's Colonies, warrants will be issued only on condition that the subscriptions shall be either paid in advance or taken by deduction; in the latter case, the warrant to the Colony should show only the net allowance payable after such deduction.

3. The rates of subscription are as follow :—

A—Bengal Civil Fund.

		Rs.	a.	
	Civil Fund ordinary ..	2	8	per centum of the total leave allowance.
Additional.	Wife	2	0	,, ditto ditto
	Sons, each	0	2	,, ditto ditto
	Daughters, each ..	0	4	,, ditto ditto

Widower's subscriptions are the subscription to the ordinary branch and double rates for children. The subscriptions should be calculated on the rupee entry of the absentee allowance in the officer's Last-Pay Certificate; but in no case is subscription calculated on a smaller leave allowance than Rs. 416—10—8, or on a higher allowance than Rs. 833⅓. Payments made in England are converted into sterling at the rate of 2 shillings the rupee. If the officer is entitled to no absentee allowance, his contributions should be calculated as if he were in receipt of the subsistence allowance noted below :—

Rs. 250 a month—for an officer of not more than eight years' actual residence in India.
Rs. 320 a month—for an officer of more than eight but less than twelve years' actual residence in India.
Rs. 400 a month—for an officer of twelve or more years' actual residence in India.

B.—Madras Civil Fund.

	Rs.
During the first sixteen years' service in all cases	2½ per cent.
At the same rate during the whole further service in the case of married men or widowers with families.	

In the case of unmarried subscribers and widowers without families, the rate is reduced to one per cent after sixteen years' service, to be raised to the higher rate of 2½ per cent on the remarriage of the subscriber.

The subscriptions to be paid on absentee allowance are reckoned on the rupee entry in the Last-Pay Certificate; but in no case is subscription calculated on a smaller leave allowance than Rs. 416—10—8, or on a higher leave allowance than Rs. 833⅓.

In the cases of subscribers in England who are not in receipt of any absentee allowances, and who are allowed by the Rules of the Fund to make payments in order to retain their interest in the Fund, the allowance on which the rates are calculated is the allowance from Government last drawn when on furlough or sick leave.

Payments made in England are converted into sterling at the rate of two shillings or one shilling and nine pence the rupee, according as the subscription is paid to the 8 per cent or 4 per cent Capital of the Fund.

C.—Bombay Civil Fund.

	Rs.
Married members	3 per cent.
Widowers or unmarried members ..	2 ,,

For daughters (if upon the Fund)—2 annas or 4 annas per cent.
For sons (if upon the Fund)—2 annas per cent.

A member on furlough and in receipt of an absentee allowance exceeding £500 a year contributes at the rates shown above on the amount in excess of £500 a year. Any member drawing no allowance or drawing furlough or subsistence allowance of £500 a year or less, is not required to contribute.

Payments of subscriptions in England are converted into sterling money at the rate of exchange annually fixed for the adjustment of financial transactions between the Imperial and Indian Governments.

D.—Indian Civil Service Family Pension Regulations.

(These rates show the monthly contribution and are subject to alteration from time to time, by the Secretary of State.)
